

## About Us

Crelogix is a non-bank Canadian financial services provider that has, since 1974 been providing its business partners with consumer financing solutions that attract and retain more consumers, close more sales and increase overall profitability.

Crelogix consults with its partners to create term financing solutions and services specifically tailored to providers of products and services across a wide range of industries.

Crelogix also provides financial intermediaries with consumer term finance solutions including third-party servicing, collections, ongoing management or outright acquisition of Canadian consumer instalment loan receivables portfolios.
